

**Title:** Production Worker

Classification: Hourly – non-exempt

Work Location: Bio-Vet, Inc. Manufacturing Facility, Barneveld, WI

Reports To: Production Manager

Purpose of Position: Bio-Vet is seeking a motivated and reliable production employee to join our team. As a key member of our production facility, you will play a vital role in ensuring the accurate measurement, filling, packaging, and production of animal nutrition products manufactured by Bio-Vet.

**Key Responsibilities:**

- Accurately measure required ingredients according to specifications.
- Transfer ingredients to mixers and fillers as needed.
- Mix ingredients as directed.
- Package products as directed.
- Clean area as needed.
- Other duties as required.

**Necessary Skills:**

- Broad understanding of safety systems and demonstrated ability to follow safety rules and policies.
- Ability to accurately and proficiently measure materials.
- Ability to use filling equipment.
- Ability to document production procedures in writing.
- Ability to meet production quotas.
- Ability to lift up to 60 pounds repetitively.
- Ability to walk the length of the production plant and back in a timely manner
- Experience and certification to operate forklift.
- Ability to stand and walk on concrete for up to 10 hours.
- Ability to be around dust particles and use personal protective equipment

**How to Apply:**

Please apply online at [www.bio-vet.com](http://www.bio-vet.com) or mail/drop off application to 300 Ernie Dr. Barneveld, WI 53507
